

Objective and investment policy

The IS Asset Allocation Fund is a UCITS mutual fund that invests in other UCITS-funds that invest in both domestic and foreign bonds and equities. The fund is not allowed to invest more than 30% in Non-UCITS funds and may only to invest up to 20% in one fund (both UCITS and AIF). In addition the fund may not invest in funds that have invested 10% or more in other funds. The fund is allowed to invest in derivatives, but no more than 10% of total assets. The fund is allowed to invest up to 50% of it's capital in other funds managed by IS Funds in accordance article 64 of the Act no. 116/2021.

Risk and disclaimer

Various financial risks are always related to investment activities, such as the risk of no yield or the risk of losing the capital invested. It should further be noted that international investing includes risks related to political and economic uncertainties as well as currency risk. **Past performance does not indicate nor guarantee future performance of an investment.** Investing in financial securities always involves risk. The price and return of the fund reflects market fluctuations. The investors should bear in mind that the fund invests in domestic bonds. Furthermore, a fund of funds like the IS Private Fund A is bound by law to diversify their investments between at least five different funds. Past performance does not indicate nor guarantee future performance of an investment.

Each investor's investment objectives and financial situation is different. Before making an investment decision, it is important to seek expert advice and familiarise oneself with the investment market and different investment alternatives. Investors are encouraged to familiarise themselves with the IS Private Fund A prospectus, especially regarding risk, available on www.isfunds.is

This summary is informative in nature, and should not be interpreted as a recommendation to take, or not to take, any particular investment action. This summary does not represent an offer or an invitation to buy, sell or subscribe to any particular financial instruments.

Iceland Funds Ltd. is licensed to operate as a UCITS and Alternative Investment Fund Management Company in accordance with Act no. 116/2021 and Act no. 45/2020.
